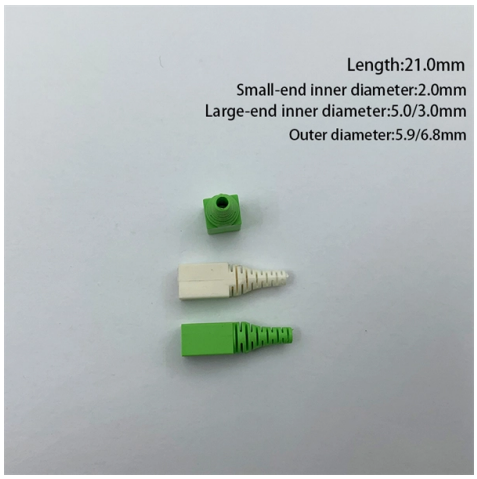
4-core optical cable connector for fiber optic panel



Overview

The opticalCON QUAD cable connector accommodates four PC optical channels based on conventional and proven LC connectivity protected by a ruggedized and durable all-metal housing. It features a spring loaded push-pull locking mechanism and an excellent cable retention utilizing aramid. Assembled, rugged and lightweight 4-channel mobile field cable, excellent cable retention due to aramid yarn, black PUR outer jacket, available in single and multi mode (PC or APC). Four sizes of interchangeable Propel fiber. As a leading supplier of advanced fiber optic components, Molex has an extensive product offering that includes a full range of optical solutions from connectors, adapters and cables to backplanes and high-density interconnects. Products incorporating standard. Mouser is an authorized distributor for many fiber optic connector manufacturers including Amphenol, Broadcom, Glenair, JAE, L-Com, Molex, Radiall, TE Connectivity & more.
