Ladder cable tray vendors

Overview

Cable management | Cable tray | Cable ladder rack | EatonCable tray and ladder systems As the industry leader in cable tray, Eaton offers one of the widest.

Key Takeaways

Several reputable vendors provide ladder-type cable trays, including Legrand, MP Husky, Metalix Industries, and suppliers listed on IndiaMART, offering a range of materials, sizes, and certifications.

Key Vendors and Manufacturers

Legrand offers a wide selection of metallic ladder trays with various side rail heights (4", 5", 6", 7") and straight sections, along with horizontal and vertical fittings for flexible installation. Their products are suitable for commercial and industrial cable management systems.

M

P Husky provides industrial-grade ladder cable trays, including Husky I-Beam and Flange Out systems. These trays are NEMA and CSA certified, made from materials such as aluminum, steel, stainless steel, and PVC-coated options, designed for heavy-duty applications like power plants and paper mills. Metalix Industries manufactures robust ladder-type cable trays engineered for heavy-duty cable support.

Their trays feature parallel rungs for strength, optimal airflow, and heat dissipation, ensuring durability in challenging environments. They cater to both power distribution and data cabling needs. IndiaMART Suppliers offer a variety of ladder cable trays across India.

Top-rated suppliers include Radiance Enterprises, Bajiya Industrial Corporation, and R V Electricals, while cost-effective options are available from Global Manufacturers and Traders, Canco Fasteners, and Excel Metal & Engg Industries. These suppliers provide bulk order support and competitive pricing. Material and Standards ConsiderationsLadder-type cable trays are available in steel, stainless steel, aluminum, and PVC-coated variants, with options for hot-dip galvanization or halogen-free plastics.

Many vendors comply with NEMA, CSA, and DIN EN 61537 standards, ensuring safety, structural integrity, and suitability for indoor and outdoor installations.

Applications

These trays are ideal for industrial, commercial, and infrastructure projects, supporting large bundles of power, data, or control cables. Ladder trays provide better ventilation, easier access, and flexibility for future expansions compared to closed cable ducts.

Summary

When selecting a vendor, consider material type, load capacity, certifications, and installation requirements.

Legrand and M

P Husky are suitable for industrial-grade applications, Metalix Industries offers durable solutions for heavy-duty environments, and IndiaMART suppliers provide a wide range of options with competitive pricing and bulk order support.
