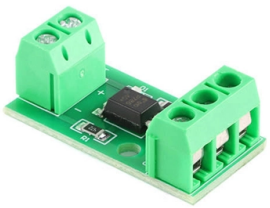
Cable Tray Price Information



Overview

Cable Tray Price List 2025: Current Market Rates Find the latest cable tray price list for 2025. Compare B2B and B2C pricing, materials, and supplier optio.

Key Takeaways

Cable tray prices in India typically range from ₹44 per piece for coupler plates to several thousand rupees per meter depending on size, material, and finish.

Price Overview

Coupler Plates: For connecting cable trays, prices range from ₹44 per piece for 25/30 mm and 50 mm height trays to ₹67 per piece for 75/100 mm height trays, including hardware (Ex-Mumbai, GST extra). Cable Tray Per Meter: Standard steel cable trays with side rail heights of 50 mm, 100 mm, or 150 mm and lengths of 2. 4 m, 3 m, or 6 m are available.

Prices vary based on width, load capacity, and surface finish (GI Galvanized or HDG).

Factors Affecting Pricing

Material: Steel, aluminum, or galvanized finishes influence cost. Hot-dip galvanizing increases corrosion resistance and price. Dimensions: Widths from 100 mm to 900 mm and side rail heights from 50 mm to 150 mm affect the price per meter.

Load Capacity: Trays supporting higher loads (up to 216 kg/m) are priced higher due to stronger construction. Supplier and Location: Prices are often quoted Ex-works or Ex-Mumbai, with GST and delivery charges extra. Minimum Order Quantity: Some suppliers require a minimum order, e.g., 50 meters.

Buying Options

Online Retailers: Platforms like Amazon India offer smaller cable management trays for home or office use, with prices varying by size and style. Industrial Suppliers: Companies like Ashish Engineers and Manibhadra provide bulk industrial cable trays with customizable dimensions and finishes.

Summary

For budgeting, expect coupler plates around ₹44–67 per piece and steel cable trays from a few hundred to several thousand rupees per meter, depending on size, material, and load capacity. Always check for GST, delivery charges, and minimum order requirements when comparing suppliers.
