Distribution box 1013 circuit

Overview

Surface Mount Panel Distribution Box: - Can fit up to 13 breakers - Electrical protection, waterproof, dustproof, and UV protection - Long lasting, ensurable durability, and anti-aging - Easy to install - Environmental protection PC new material hard, high elastic, high. Surface Mount Panel Distribution Box: - Can fit up to 13 breakers - Electrical protection, waterproof, dustproof, and UV protection - Long lasting, ensurable durability, and anti-aging - Easy to install - Environmental protection PC new material hard, high elastic, high. Singi has passed ISO 9001, ISO 14001, OHSAS 18001, international three system certification. Also get the international production certification of the UL, CE, CB ETL and etc. SIngi have over 50 Copy rights, over 60 CCC certification, During the 20 years production experiece, singi get the over 70. The distribution box (DB box) helps safely and efficiently distribute electrical power. Today, electrical systems are essential for homes and industries. In a distribution box, the way circuit breakers, busbars, neutral conductors, and grounding conductors are connected directly affects how. A distribution board (also known as panelboard, breaker panel, electric panel, DB board or DB box) is a component of an electricity supply system that divides an electrical power feed into subsidiary circuits while providing a protective fuse or circuit breaker for each circuit in a common. STOCK NO. Original WENER brand product Easy to install Suitable for Flush mounting and Surface mounting With neutral bar, earth bar and cable ties for cable management Ample space for wiring Mukti Electric House offers a wide range of WENER MCB distribution boards.
