Function of optical cable hanging and fixing clips

Overview

Each accessory serves a specific purpose: fiber tension clamps provide the right tension without damaging cables, drop wire clamps secure cables in outdoor environments, and anchor hooks and brackets support and stabilize cables on poles, walls, or buildings. What are the main functions of optical cable fittings?

1. According to the function and structure, it can be divided into suspension clamps, tension clamps, UT clamps, connecting fittings, connecting fittings, protection fittings, equipment wire clamps, T-clamps, busbar fittings, pull wire. We manufacture a wide range of hardware fittings for OPGW Optical Ground Wire, including Suspension and Tension Assemblies, Down Lead clamps, Earthing Clamps, Splice Enclosure, Reinforcing Rods, Vibration Dampers, etc. The hardware provided is designed to meet both the construction and performance. The tension fitting is a dielectric termination designed for the termination of short reach fiber optic cables in low tension environments. Dead-end clamp for ADSS/OPGW simplifies to a single-layer component, providing an economical solution for very light loads.

What are the main functions of optical cable fittings?

This kind of hardware is mainly used to fasten the terminal of the wire so that it can be fixed on the insulator string of the resistant wire, and it is also used to fix the terminal of the lightning protection

Hardware For OPGW Cable

OPGW Junction box is mainly used for protecting the fiber optic junction between two cables and reserve a section of fiber optic for maintenance in the box. The

Fiber Optic Fittings

The preformed fiber optic suspension hardware kit is used to fix the conductor in the insulating cord of the straight line tower, or to hang the lighting cable on the straight line tower.

Fittings for ADSS optical cable

The fittings of ADSS optical cable mainly include: 1) tension fittings, 2) suspension fittings, 3) shock absorbers, 4) guide wire clips. The role of tension fittings: tension fittings are mainly

Cable Fixing Accessories – Secure Fiber Installations

Cable fixing accessories, like tension clamps and brackets, are designed to prevent sagging, vibrations, and displacement of fiber optic cables.

Cable clips: adhesive, magnetic and screw-in options

Cable clips are used to secure and organise wiring in various applications. They are typically designed with a clip or open-head design mechanism and can be

Comprehensive Guide to Fiber Optic Cable Clamps

Fiber optic cable clamps are devices used to secure and stabilize fiber optic cables in a wide range of applications, including telecommunications,

Hang Your Fiber Optic Cables Easily: Learn the Benefits and Uses of ...

Hanging clamps are essential equipment when suspending fiber optic cables on transmission line towers. The device is designed to connect cables and suspend them at the point of transmission

Fiber Optic Cable Clips

© 2026 KENHARDT OPTICAL NETWORKS - All rights reserved

Product Description Fiber cable clamp 7mm and 9-14mm is designed to fix 7mm OD fiber optic cables and power cables with OD ranging from 9.5mm to 14mm. Each unit of the plastic hanger can hold

Fiber Optic Mounting Hardware | Cable Lashing | Q

Fiber Optic Mounting Hardware Our Fiber Optic Mounting Hardware category includes essential components designed to secure, organize, and protect fiber

Wire Cable Suspension Hanging Kit with an Adjustable

GS Products offer a wire cable suspension hanging kit with an adjustable hook. It''s ideal for hanging signs and panels from the ceiling.

Snap On Clips | Essentra Components US

Snap On Spring Clips in our huge range of fiber optic cable management solutions at Essentra Components US. Leading provider of essential components!

What are the main functions of optical cable fittings?

1.According to the function and structure, it can be divided into suspension clamps, tension clamps, UT clamps, connecting fittings, connecting

Light Hanging & Mounting Supplies

Gutter clips, hanging hardware, siding clips, multi purpose clips, christmas light hooks, christmas light clips. Cable wire, eye hooks, turnbuckles and more.

A Complete Guide To Cable Clips

Cable clips are essential tools that help prevent tangling and damage to wires and cables. By using quality clips, you can ensure that your

Hanging Hardware Solutions

Hanging Hardware Solutions We at Primus Cable understand the validity of overhead cable management as an additional means of keeping networking cables organized and safely out of the

Cable Fixing Accessories – Secure Fiber Installations

Fiber optic networks are the backbone of communication, powering everything from high-speed internet to data centers and telecommunications.

Optical Fiber Cable Clips, adhesive back, snap close, 5C-2V hold ...

Electrical Basics is your trusted online store to purchase electrical products. Explore Optical Fiber Cable Clips, Adhesive Back, Snap Close, 5C-2V Hold Diameter – 200/Bag EBCC-04-13-30-N Get best
