Key Takeaways

Outdoor server racks in Lithuania typically range from around €2,000 to over €6,000 depending on size, brand, and features.

Price Range

Based on local Lithuanian retailers, server racks can vary widely in price. Basic racks start at approximately €2,000, while high-end or fully enclosed outdoor racks with advanced cooling, security, and weatherproofing can cost €6,000 or more. The exact price depends on factors such as: Rack height and width (measured in rack units, e.g., 42U)Brand (HPE, Dell, Lenovo, Cisco, Oracle, etc.)Outdoor suitability (weatherproofing, ventilation, and cooling systems)Additional features (lockable doors, cable management, power distribution units)Popular Brands and OptionsHPE and Dell: Offer reliable outdoor-ready racks suitable for enterprise applications, often in the mid-to-high price range.

Lenovo and Cisco: Known for high-performance racks with robust security and management features. Oracle: Typically premium-priced, designed for integration with Oracle hardware and software.

Where to Buy

Lithuanian online marketplaces and electronics retailers such as Kaina24.lt list multiple vendors offering server racks, with prices ranging from €2. 08 for small components to €62,000 for full-scale enterprise racks, though outdoor-specific models are generally in the €2,000–€6,000 range.

Local I

T suppliers like Atea also provide tailored solutions for businesses, including consultation on the best rack for your needs.

Additional Considerations

When purchasing an outdoor server rack, consider: Environmental protection: Ensure the rack is rated for outdoor use (IP-rated for dust and water resistance). Cooling requirements: Outdoor racks may need integrated fans or air conditioning to maintain optimal server temperatures. Power and network setup: Some racks include built-in power distribution units and cable management for easier deployment.

Warranty and support: Enterprise-grade racks often come with extended warranties and installation support. In summary, for Lithuania, expect to pay between €2,000 and €6,000 for a quality outdoor server rack, with higher-end models exceeding this range depending on features and brand.
