Fiber optic cable junction box model GPJ

Overview

Waterproof and Durable Design: The GPJ09-5601 fiber optic splice joint closure box is designed with a single-ended structure and a dome style, ensuring a secure and watertight seal with an IP68 protection grade. This makes it suitable for use in harsh environments. The GPJ09-9401 round joint box can handle 12, 24 or 36 optical splices. Estore: Outdoor Joint Boxes Library: Some Theory (6), Connectors & Splicing (7), Measurements (2), Building System (6), CCTV Video Transm. (3), CATV/SMATV Distribution (3). 4 people have this in their carts right now. ♦ The curved diameter meets with international standard. The external component and fastening piece are all made of the. Product name : In-line fiber closure (GPJ (04)) In-line fiber closure (GPJ (04)).
