Industrial-grade Spectrometer

Overview

Find your industrial spectrometer easily amongst the 93 products from the leading brands (Bruker, Thermo Fisher, Hitachi, ...) on DirectIndustry, the industry specialist for your professional purchases.

Article Content

Industrial spectrometer, Spectrometer for industrial applications

Find your industrial spectrometer easily amongst the 93 products from the leading brands (Bruker, Thermo Fisher, Hitachi, ...) on DirectIndustry, the industry specialist for your professional purchases.

High performance OEM spectrometers

Ibsen offers a wide range of robust, athermal, industrial grade OEM spectrometers that can be tailored to your exact needs.

Spectrometer Systems For Research & Development | ILT

Our ILT950 and ILT550 spectrometers can be combined with many of our detectors and input optics for application specific light measurement solutions. The hand-held ILT350 Chroma Meter is an

PROGAZE lean Process Spectrometer

Versatile process spectrometers for UV, VIS, NIR, and Raman applications. The PROGAZE lean series is an exceptionally versatile spectrometer series, as all

© 2026 KENHARDT OPTICAL NETWORKS - All rights reserved

GoPhotonics Presents Portable and Industrial-Grade

In response to this growing demand, Gophotonics highlights high-performance spectrometers from leading manufacturers, optimized for accuracy,

TS7000 Industrial Grade Colorimeter Spectrometer

TS7000 series industrial-grade spectrophotometer is a high-precision color measuring instrument designed for industrial testing purposes. The colorimeter

Qmini Industrial Spectrometer

Qmini Industrial Spectrometer Qmini Miniature Industrial Grade Spectrometer is the most flexible OEM spectrometer in Broadcom ''s portfolio. Available in 6 different

Chemical Analysis & Material Identification | SPECTRO

ICP-OES and XRF spectrometers from SPECTRO are as versatile as the industrial infrastructure and the analytical applications of the entire chemical industry.

Optical Spectrometers and Camera Systems for OEM

Together we will deliver innovative and cost effective volume spectroscopy and imaging solutions for your most challenging industrial applications. If you are not

Spectrometer Systems For Research & Development | ILT

International Light Technologies has been developing and manufacturing high-performance spectrometers for over 50 years. Our meters are used for process validation, and research and

Qneo NIR Industrial Spectrometer

Broadcom''s Qneo NIR Industrial Spectrometer. Wide 950 nm to 1700 nm spectral range and small footprint for easy OEM integration.

Portable spectrometer

Portable spectrometers | Choosing the Right Spectrometer There are two main categories of spectrometry: radiation spectrometry and mass spectrometry. Radiation spectrometry (UV-Vis, IR, X

Professional spectrometer

Find your professional spectrometer easily amongst the 16 products from the leading brands (Skyray, Belec, Hiden Analytical, ...) on DirectIndustry, the industry

Qwave Industrial Spectrometer

Qwave Industrial Spectrometer The Broadcom Qwave Industrial Spectrometer is a compact unit that fits in the palm of your hand. It delivers high optical resolution,

© 2026 KENHARDT OPTICAL NETWORKS - All rights reserved

Spectrometer for the chemical industry, Chemical spectrometer

Find your spectrometer for the chemical industry easily amongst the 86 products from the leading brands (NETZSCH, Shimadzu, Thermo Fisher, ...) on DirectIndustry, the industry specialist for your

Spectrometry: Industrial & Scientific

Online shopping for Spectrophotometers - Spectrometry from a great selection at Industrial & Scientific Store.

Elemental Analysis Solutions & Analytical Instruments | SPECTRO

SPECTRO is a global leading supplier of advanced analytical instruments like ICP, Arc Spark OES, and XRF spectrometers for precise elemental analysis of materials.

Raman Systems

Raman Spectrometer for Industrial Use Raman spectroscopy is a element specific non-contact analysis technique. It is widely used for the classification and
