Moxa optical module brand

Overview

All Moxa® compatible optical transceiver modules are certified for functionality, reliability and performance under rigorous testing parameters. With over 30 years of industry experience, Moxa has connected more than 57 million devices worldwide and has a distribution and service. Moxa is a leader in industrial networking and communications, enabling connectivity and enhancing cybersecurity for industrial automation systems. We can offer SFP and SFP+ modules for multi-mode fiber with 850nm and for single-mode fiber with 1310nm. Moxa Compatible Fiber Optic Transceivers Welcome to our store! Moxa SFP Modules

Moxa''s small form-factor pluggable transceiver (SFP) Ethernet fiber modules provide 10 Gigabit, Gigabit, and Fast Ethernet in order to ensure coverage across a range of distances.

Moxa Europe | Solutions

Secure your industrial network every step on the way. Easy, fast and secure IIoT projects. Secure high bandwidth transportation solutions. We are the heartbeat

Brand homepage-Moxa

Neteon offers one-stop online store for all MOXA industrial networking, communication and computing solutions with over $5 million local inventory, fast

Ethernet-to-Fiber Media Converters | Moxa

Moxa''s Ethernet to Fiber media converters feature innovative remote management, industrial-grade reliability, and a flexible, modular design that can fit any type of

Ethernet Media Converters

Moxa''s industrial Ethernet media converters provide reliable and stable conversion of Ethernet data to fiber optic signals, even in harsh industrial environments.

IMC-21A Series

© 2026 KENHARDT OPTICAL NETWORKS - All rights reserved

The IMC-21A industrial media converters are entry-level 10/100BaseT(X)-to-100BaseFX media converters designed to provide reliable and stable operation

Moxa Industrial Media Converters

Moxa Industrial Media Converters including Fiber Media Converters, Serial Converters, Railway Media Converters, etc. provide reliable, stable conversion of

MoxaStore

Express Systems is an Authorized Premier Distributor for Moxa Industrial Networking Devices. We are one of Moxa''s Largest Stocking

About Us | Moxa

About Us We are dedicated to delivering reliable connectivity for industrial automation and providing solutions for edge connectivity, industrial computing,

Industrial Connectivity & Networking 101

Moxa''s media converters offer versatile solutions that include serial-to-serial, serial-to-fiber, fieldbus-to-fiber, and Ethernet-to-fiber, providing you a wide selection for

Solutions | Moxa

Moxa Industry Solutions Our solutions are tailored to overcome the unique challenges facing specific demanding environments. Unique Challenges, Tailored Solutions Modern manufacturing is becoming

Moxa Europe | Your Trusted Partner in Automation

Moxa is a leader in industrial networking and communications, enabling connectivity and enhancing cybersecurity for industrial automation systems.
