High-density outdoor constant temperature cabinets

Overview

Our cabinetry is designed to withstand the constant punishment of being exposed to sun, salt, rain, snow, and extreme high and low temperatures. It will not fade and it never needs to be painted. It has a durable, easy to clean surface and is FDA approved for food. Outdoor Cabinets Direct manufactures outdoor cabinets and outdoor kitchens that are 100% weatherproof. Our outdoor cabinets are made from high quality, High Density Polyethylene (HDPE) 3/4″ polymer material. This cabinetry will not split. This 24U thermostatic outdoor cabinet with NEMA-rated electrical enclosure is designed for telecom, solar, and power distribution systems. Constructed from high-strength galvanized steel and rated IP55, it offers reliable protection in harsh environments.
