Malta electrical distribution box manufacturer

Overview

Darmanin Supplies offers a comprehensive range of electrical products, including distribution boards, protective devices, BS sockets and switches, and essential electrical accessories.

Key Takeaways

Malta has several reputable suppliers and manufacturers of electrical distribution boxes, including Hydrolectric, Calleja, FBP Malta, G&E Electronics, Malta Technical Services, ESS Ltd., E-Abel, and BigMat Malta.

Key Suppliers and Manufacturers

Hydrolectric Ltd. offers a wide range of consumer units, distribution boards, and panels suitable for residential and commercial installations, providing professional services and catalogues for selection (Hydrolectric). Calleja specializes in consumer unit enclosures, including Mistral IP65 and IP41 models with various module capacities, compatible with ABB components, suitable for both surface and flush mounting (Calleja).

FB

P Malta provides a comprehensive selection of distribution boxes, ranging from small 1–4 module units to large 84-way IP65 enclosures, including transparent door options for easy inspection (FBP Malta).

G&

E Electronics Ltd. supplies enclosures of various sizes, including weatherproof IP54 boxes, ABS and metal enclosures, and specialized storage boxes for components, catering to both industrial and residential needs (G&E Electronics). Malta Technical Services offers metal enclosures and control panel boxes in all sizes, including IP65-rated waterproof options, with brands like Hager and Al Fanar available for purchase (Malta Technical Services).

ES

S Ltd. provides consumer unit enclosures, low voltage protection devices, and related electrical equipment, featuring products from major brands such as Legrand, Schneider, and MK, suitable for both indoor and outdoor applications (ESS Ltd.).

E-

Abel focuses on industrial and electrical enclosures, offering stainless steel, aluminum, and galvanized steel distribution boxes, with engineering support and customization options for specific project requirements (E-Abel).

Big

Mat Malta stocks a variety of consumer units and distribution boxes, including waterproof IP65 and IP55 rated enclosures, surface-mounted and recessed options, suitable for both domestic and commercial installations (BigMat Malta). Considerations for SelectionIP Rating: Choose enclosures based on environmental exposure (e.g., IP65 for outdoor use). Module Capacity: Ensure the distribution box accommodates the required number of circuits.

Material: Options include ABS, metal, or stainless steel depending on durability and installation requirements. Brand Compatibility: Many enclosures are compatible with ABB, Schneider, Legrand, and other standard components. Customization: Some suppliers like E-Abel offer tailored solutions for industrial or specialized applications.

These suppliers provide both standard and customized solutions, making it possible to source electrical distribution boxes for residential, commercial, and industrial projects in Malta.
