Sc Single-mode fiber optic quick connector

Overview

This Singlemode SC APC Pre-Polished Simplex Fiber Optic Quick Connector is perfect for emergency repairs or temporary installations. These connectors are designed to get your network up and running until high grade connectors are installed or fiber optic pigtails are spliced on. Proven mechanical splice technology ensuring precision fiber alignment, a factory pre-cleaved fiber stub and a proprietary index-matching gel combine to. An optical fiber connector is a flexible device that connects fiber cables requiring a quick connection and disconnection, keeping the ends of the fiber properly aligned, let the fiber receiver can get the maximum light from the launching fiber, and minimize the energy loss for the system because. Check each product page for other buying options. Need help?

The SC/UPC fast connector are factory pre-polished, field-installable connectors that completely eliminate the need for hand polishing in the field. They don' t need to polish, no epoxy. It could be installed in the fields and make connection less than 2 minutes.
